will be Steve Petty, who was previously approved by the Selectmen. Director Haskell is going on a coaching expedition to Europe, as coach in the Dartmouth School System.

Other beach appointments include: Instructor/Lifeguards Pam Peirce, Janine Myatt and Cameron Pease; Lifeguard, Tom Jackivicz; Beach Attendants, Beatrice Ingram, Dan Evan and Caroline Hubbard.

Pam Hiller was appointed as Playground Supervisor with activities at Center School grounds. No applications have been received for the Arts and Crafts Supervisor. Mr. Haskell said the job is being advertised in the Presto Press until May 28th.

Selectman William F. Hubbard abstained from voting on the appointments as a relative was appointed a beach attendant.

Selectman Hubbard, being the newest member of the Board, asked Director Haskell and Committee member Riley what happened to the girl (Ann Marie Stepanaitis) who had been appointed beach director for last season to replace retired Albert Boucher. Hubbard said he was "disturbed by the letter from Miss Stepanaitis in the newspapers claiming she had been told she was not being reappointed. I don't like not knowing what has happened because when residents ask questions, I want to be able to tell them that she had evidently misunderstood your (Haskell's) comments to her, and that you could only recommend and not appoint, as this is the Selectmen's responsibility." In the future, the Board should be notified if a person is not going to be recommended.

Mr. Riley said the Recreation

Committee hired Miss Stepanaitis last year as being the best qualified applicant. However, during the summer season "we received some complaints of her performance. We asked her to evaluate the other beach employees working for her; then, we, in turn, evaluated her performance. She was late in turning in her employee evaluations."

Mr. Haskell said "we opened up the job applications again this year, seeking additional persons to apply. We notified Miss Stepanaitis both verbally and by letter that she was not being recommended, saying this is only a matter of courtesy."

On another matter concerning the Recreation Director, Selectmen received a copy of a letter sent to Haskell from Drew Kolek, the father of a minor league baseball player and a former coach. Mr. Kolek expressed concern over the fact that some of the minor league games have been lasting so late that the last inning is being played in relative darkness.

Mr. Kolek wrote, "It is my understanding that calling a game because of darkness is at the discretion of the umpire. However, they are apparently reluctant to do so, especially in a close game. My concern is for the safety of the children. By 8 p.m. after playing two hours, many of the children are tired. This combined with poor visibility could result in an injury. From the town's point of view, I would think it would be concerned with liability if an injury did occur."

Director Haskell said he and Riley discussed the matter and following

the meeting announced they will notify umpires games will be played no later than 8 p.m. Haskell said many of the umpires are new this year, and "we have been trying to give each of the youngsters a chance to play." He said the committee is having difficulty in obtaining umpires for the baseball league games and have had to go out of town though they are paid well, $20. per game. Of the five umpires used only two are from Mattapoisett, Haskell told Selectmen.

In other business, Selectmen:

VOTED that the Board will serve as the committee to select a design architect for the police station, as was voted at the annual town meeting.

NOTED Building Inspector David Crook had never been notified about the possibility of a family living on a boat at Leisure Shores Marina and sending children to the Old Rochester Regional District School System.

In speaking to Inspector Crook after the meeting, he said the Zoning Board of Appeals' Special Permit granted to Robert Ringuette

to operate his marina makes no allowance under any circumstances for anyone to live on boats. Crook added the family from Wareham had not contacted him and the first he knew about the situation was when he read it in the press. The family had wanted their children to attend the ORR school system and had earlier contacted School Superintendent Joan Walsh who queried the Selectmen on the legal status of sending children to the schools when living on a boat.

MET WITH the July 4th road race planners who were given permission to hold its 17th annual holiday road race. Co-Chairmen Charles Prefontaine, Robert Simmons and Robert Gardner invited Selectmen to participate in awarding trophies to the winners. Mr. Simmons said the Mattapoisett race is the oldest in the area, even older than the Falmouth road race and is becoming increasingly popular. "We have been fortunate to have so many local businesses give us their support", the planners said. Along with the permission, Selectmen asked they be sure to co-

QUESTION:

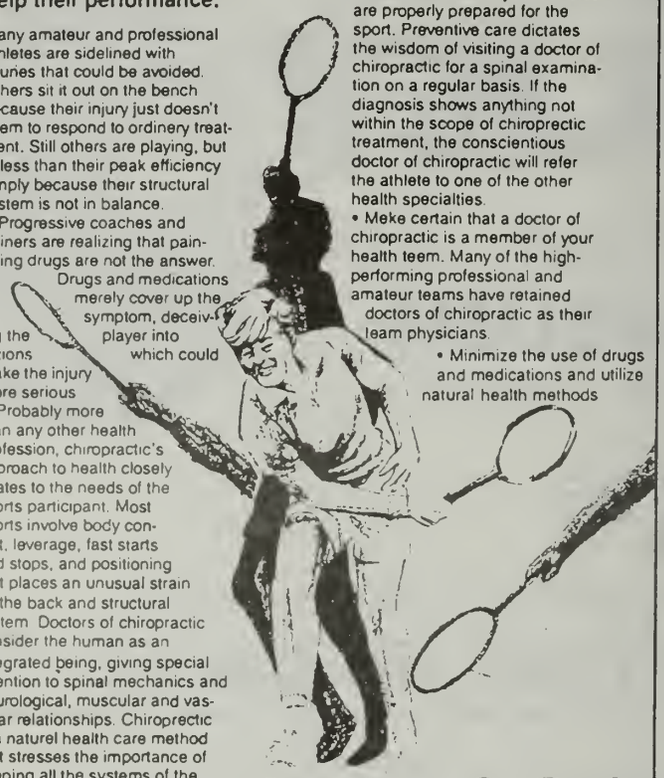
WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit it out on the bench because their injury just doesn't seem to respond to ordinery treatment. Still others are playing, but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and trainers are realizing that pain-killing drugs are not the answer. Drugs and medications merely cover up the symptom, deceiving the player into actions which could make the injury more serious

Probably more than any other health profession, chiropractic's approach to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fast starts and stops, and positioning that places an unusual strain on the back and structural system. Doctors of chiropractic consider the human as an integrated being, giving special attention to spinal mechanics and neurological, muscular and vascular relationships. Chiroprectic is a naturel health care method that stresses the importance of keeping all the systems of the body functioning efficiently, so the player enjoys peak performance, a minimum injury risk and fast recuperative powers.



Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiropractic for a spinal examination on a regular basis. If the diagnosis shows anything not within the scope of chiroprectic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.
- Meke certain that a doctor of chiropractic is a member of your health teem. Many of the high-performing professional and amateur teams have retained doctors of chiropractic as their leam physicians.
- Minimize the use of drugs and medications and utilize natural health methods

ordinate the day's events with the Police Department.

HEARD Selectmen Chairman John DeCosta report on the Telephone Company's information that it will repair the damage done by its drains from its property on Mechanic Street adjacent to the property of Bradley Barrows. The company informed the Board of its desire to tie its leaders into the town drains.

Selectman Frank Suzan asked if there is a precedent. "Do we allow people to drain into our storm drains?" It was decided to have Highway Surveyor Manuel R. Nunes check the problem and to seek an Appeals Board decision on the company's request to tie in to town drains.

WERE NOTIFIED by State DEQE in reference to the Wharf Commissioner Steve Mach's request for a proposed backflow prevention device for Mattapoisett town docks. The backflow device is for potable water at boat spaces and the plan proposes to install one 1¼ watts 909 backflow preventer in the water line feeding the docks.

The plans were approved by the state with the following provisions: The water lines affected may be shut down during normal business hours, after reasonable notice, to permit necessary testing and maintenance. If it is not possible to meet this requirement, it will be necessary to provide a by-pass equipped with an approved type backflow prevention device. The installation must be readily accessible for testing and maintenance. A complete set of spare parts for the device must be available for

future maintenance and be on hand for the first inspection. The device must be installed in a horizontal position. Following completion of the work, the state DEQE must inspect the device.

HEARD A REPORT from Selectman Hubbard on his attendance at the joint meeting on SEMASS communities to hear its progress. A delegation from MMA (Massachusetts Municipal Association) plans to visit legislators to get input into legislation on the increase in tipping fees by $2.60 to each member town. He said Rochester would benefit the most; "we are glad for them, but we have to look out for ourselves." Selectman Hubbard said the minutes of the meeting will be sent to each member town so recommendations can be made to legislators. "We really didn't want the state DEQE to have so much power on the regulations," Hubbard said.

WILL FILE the name of Nancy Ferreira, 34 River Road as an applicant for the opening on the Council on Aging.

Also placed on file was a letter from Elizabeth H. Kunz, 45 Water Street for an appointment to the Finance Committee.

RECEIVED the January 1, 1987 school census report from Town Clerk Lois K. Ennis showing 1534 children up to 18 years of age. The town is due $536.90 from the ORR District School Committee, based on 35 cents per name.

Coville, Old Rochester Regional School Committee, extending his personal thanks to the Selectmen and related staff for its patience and support during the recent town meeting.

On a lighter note, Selectman DeCosta recieved a note and newspaper clipping from summer resident Edward "Ned" Wood of Ned's Point Road and Philadelphia. The clipping was taken from the May 2 issue of the Philadelphia Inquirer showing an AP photo of windsurfer Dave Frost on the waters off Mattapoisett, Massachusetts. Ned Wood wrote, "We'll really have a swarm down on Ned's Point if they keep going national like this. Ah, well - we will survive, I suppose."

From Board of Assessors

TOWN OF MATTAPOISETT

The Board of Assessors and M.M.C. Inc., its appraisal service company, have begun an update of property assessments in the Town of Mattapoisett for Fiscal Year 1988. This valuation update is mandated by the Massachusetts Department of Revenue every three years. The new assessments will reflect property sales during calendar year 1986. All property values will be adjusted as a result of the valuation update. The Department of Revenue will certify the new assessments before they can appear on the tax rolls.

Expense forms. Income information is requested from those owners who rent their properties. Owners who run their own businesses from their property should report expense information only; that is heat, electricity, insurance, etc.

This information is important to meet the State requirement for using two methods of appraising commercial and industrial property.

The Board will keep taxpayers informed on the progress of this valuation update through further notices.

This ... YOU'RE NOT GOING TO BELIEVE!

No, you won't believe it, but we have the proof. Most camera owners love the effect of zoom lenses but, let's face it, toting them around is not part of the fun. When I bought my zoom (some years ago) it weighed a couple of lbs. and it was just about 14" long. Well, as of this week, we can offer you TWO zooms, representing every focal length you'll ever want and the pair together aren't HALF THAT LONG.

SIGMA, one of the great names in lenses, has introduced their new 28-70 macro zoom and its mate, the 60-200. The 28-70 is exactly THREE INCHES LONG and the 60-200 is THREE AND A HALF INCHES LONG. They're sharp, they're light, they're the answer to every photographer's dream and they're priced right. Just $169.00 each or, buy the pair for $300.00!

At this writing, we don't have every mount in stock, but if you want one or both, we'll deliver within a week or 10 days. (Deposit required). These are, truly, the best we've ever seen. Summer's coming.....order yours NOW.

Inventors' Convention

FIFTH GRADE WINNERS: RICKY BERTRAND, RYAN ABRAHAM AND JACOB OSTIGUY.

Fifth and sixth grade students from Rochester Memorial School participated in their first Invention Convention on May 12th. Beginning with April 14, students from Mrs. Keane's Social Studies class and Mrs. Bradshaw's Science classes have followed a step-by-step process to invent a new product or develop a new product or develop a new method for doing something. The convention is designed to promote the students' problem-solving and creative thinking skills.

First, second, third place winners were presented with trophies and honorable mention with ribbons. The following winners and their inventions were:

American Legion

The May meeting of the Florence Eastman Post 280 was held Wednesday, May 20th, at Post Headquarters on Depot Street, Mattapoisett.

The new plywood floor has been installed in the hall. We are now ready for B & C Floor Covering to install a new tile floor on the 18th and 19th of June. We will need help at our next Legion meeting on Wednesday, June 17th. This will not be a regular meeting but a work party to remove all tables, chairs and equipment, so the tile men can get in on the 18th of June. On Saturday, the 20th of June, at 8:00 a.m. we would like to put back all the tables and chairs, and clean the windows and walls. Our Auxiliary will help.

We have our ceilings all painted and the flagpole painted. Thanks to Manny. I would like to thank all the men who helped install the

There was an election of officers for the coming year. The following men were elected to office: Commander, Michael P. Lamoureux; First Vice Commander, Charles A. Morgan; Second Vice Commander, William Francis; Adjutant, Russell G. Converse; Finance Officer, Antone Rapoza; Chaplain, John N. DeCosta; Historian, Joseph Pacheco; and Sergeant-at-Arms, John J. Connors. Installation of officers will be in October.

Plans were made to hold our annual Clambake on Sunday, July 19th, at the Holy Ghost Grounds. We will need a lot of help. Anyone wanting tickets please call John N. DeCosta at 758-2310 or contact any Legion member.

Once again, thanks to all the members who assisted the Commander to paint and install the new floor.

Two 1987 ORR Valedictorians

Principal Donald Murphy has announced the Valedictorians for the Class of 1987 at Old Rochester Regional High School.

Erik G. Morris, son of Mr. and Mrs. Gerard Morris of Rochester, was accepted at M.I.T., R.P.I., Cornell University, and will attend Harvard College in the fall. As a sophomore he scored a perfect 800 in his Math Level II Achievement and also another perfect score of 800 in his Math SAT. Erik scored in the top 1% of 400,000 high school students who took the American High School Mathematical Exam in his junior year. He is Captain of ORR's Championship Math Team and recently was one of two students honored with an Achievement Award by the Association of Teachers of Mathematics in Massachusetts and was one of six students in the state honored by the MAML which is sponsored by the Raytheon Company. At the end of May he will receive the Robert C. Byrd Scholarship at Faneuil Hall, Boston. Erik is also a member of the State Math Team and was selected to compete at the Atlantic Regional Mathematics competition at Penn State University later this month. He was a top scorer at the New England Mathematics Meet this year.

Erik was enrolled in Level III Calculus, Physics and Differential Equations at Southeastern Massachusetts University this year. He is a member of the National Honor Society, Golf and Baseball Teams at ORR and is actively involved in Boy Scouts where he is working on his project for the Eagle Scout Award.

Rebecca L. Crook, daughter of Mr. and Mrs. David E. Crook of Mattapoisett, was accepted at the Univer-

Becky has received the Naval ROTC Scholarship. Becky is a member of the State and New England Championship Math Team where she was a top scoring junior and has helped many students as a math tutor. She participated in the "Women in Mathematics and Science" at Wheaton College and the Massachusetts Girls State programs in her junior year. In her sophomore year Becky was a top scorer in the National Chemistry Olympiad Exam.

Becky has been active in the National Honor Society, Executive Committee, Cross Country Team and is currently a co-captain of the Girls' Track Team and the championship Math Team.

Top Ten Students

For the first time in the history of the school Old Rochester Regional High School has two valedictorians.

The following students are ranked as the top ten students in the Class of 1987:

Marion Center for Human Services

NEW EXECUTIVE DIRECTOR

New Executive Director of the Marion Center for Human Services, Inc. Edmond A. Perregaux, Jr. was introduced to the Incorporators and Board by Chairman Peter Schaefer on March 12. A series of meetings and luncheons are planned over the next several months to introduce Perregaux to the community.

Perregaux has had almost twenty years experience as a health administrator in Rhode Island, New York and Massachusetts. For the past seven years he was the Executive Director of the Merrimack Valley Health Planning Council with offices in Lawrence, MA. He has also taught "Management", "Management of Not-For-Profit Enterprises" and "Marketing Management" in the M.B.A. program at Rivier College, Nashua, NH for seven years. Several papers have been presented and lectures and workshops given over these years at state and national conferences and seminars in the areas of management, marketing and fund-raising.

Prior to coming to Massachusetts, Perregaux served as the Executive Director of Westside Health Services in Rochester, New York from 1977 to 1979. According to Mr. Perregaux, Westside was a Family Medicine Group Practice at three sites which included mental health and dental components.

Mrs. Perregaux also has extensive experience in the human service field. In addition to raising a family of five children, she taught nursery school and in the Head Start program. For over ten years she was a day care administrator in Rochester, New York; the Executive Director of Big Brothers/Big Sisters of Greater Lawrence for six years and has been for the past two years the Director of Religious Education for the Unitarian Univeralist Church in Andover, MA.

The Perregauxs have found a warm welcome in this community and are enjoying the area with all of its charm and history. Mr. Perregaux is also enjoying his work with the staff and board of trustees of the Marion Center for Human Services in the establishment of formal goals and objectives for the Center.

Rentumis arrived in the United States in October of 1979, coming to Mattapoisett to visit his brother who was the owner and operator of Nick's Pizza Restaurant. He fell in love with the town and later bought the restaurant from his brother. Six months after his arrival here Rentumis met his future wife, Michele Veiga of Mattapoisett, daughter of George and Evelyn Veiga. The couple, who recently moved to Rochester, have one daughter, Konstantina who they call Dena after Rentumis' mother.

Rentumis is from Mandra, a small town near Athens.

OLD COLONY MAILS NEWSLETTER

Recently Old Colony Regional Vocational Technical High School mailed its second "Newsletter". The Newsletter is intended to inform parents and members of the educational activities occurring at the school.

The Newsletter highlights the activities taking place in all twelve Vocational Shops as well as the Academic Departments. In addition, extracurricular activities and sports are included. The Newsletter also includes a "School Activities" calendar.

The Newsletter was the creation of Old Colony's School Improvement Council and is being funded by the Council.

Any parent who did not receive a copy or residents of the community who are interested in receiving one are urged to contact the school at 763-8011.

eleventh grade students from Old Colony Regional Vocational Technical High School attended the National College Fair in Boston. Sponsored by the National Association of College Admissions Counselors, the National College Fair brings together representatives from hundreds of small and large schools from across the country.

At the Fair students were able to get information and literature about admissions requirements, available financial aid, and programs offered by the various schools. It was a helpful time, both for students who are undecided about furthering their education, and for those narrowing their college choices.

The students are accompanied by faculty members Gary Brown and Richard Mitchell, who acknowledged that it was a good opportunity to gather a lot of information. It is expected that Old Colony's participation in this type of program will continue, as each year sees more students becoming interested in post-secondary education.

NATIONAL HONOR SOCIETY INDUCTION

Recently the Old Colony Chapter of the National Honor Society conducted its first induction ceremony for eighteen Seniors and Juniors.

The induction ceremony included a reception followed by a dinner prepared by the school's Culinary Arts Department. Following dinner, a candlelight induction ceremony formally inducted the chapter's initial members. The ceremony included the presentation of the new charter to School Committee Chairman Vincent Ryan.

"TEEN YEARS" PROGRAM

Recently students at Old Colony Regional Vocational Technical High School had the opportunity to participate in a unique full day of presentations. The program entitled "Teen Years - Choices and Knowledge = Decisions" included twelve different presentations from various community agencies. Some of the presenters represented agencies such as the Samaritans, Marion Center for Human Services, New Bedford Drop-In Center, the New Bedford's Woman's Center, and Emergency Room nurses from local hospitals.

The program included a presentation by the professional acting group "The Improbably Players", who portrayed dramatic scenes about chemical dependency. The purpose of the program was to expose the Old Colony student body to the array of social problems facing teenagers today.

The program was organized and conducted by Old Colony instructor Mrs. Beverly Pusateri under the Horace Mann Teacher Grant and was partially funded by the School Improvement Council.

this past week and came out of them shining and winning. The team participated in the SCC Meet, scored 109 points, behind Seekonk with 110 points, and Dighton with 115 points, with other teams trailing far behind. The team also had a dual meet against Fairhaven and won 85-51.

The SCC Meet saw three of the top teams in southeastern Massachusetts competing for honors. The meet could easily have changed with just one place difference in an event. Bringing honors to ORR were Margaret Flynn winning the 100 in 11.8, while Priscilla Clark set a new meet record in the Discus at 103'4", and Becky Corkum won the Triple Jump at 33'6". Nicole Lyonnais and Tiffiney Rebello placed in the 220, Mollie Munroe, Stacia Burke, and Raquel Rezendes picked up places in the 880, Mile, and 300 Meter Hurdles, respectively. Becky Corkum was second and Nancy MacGregor was sixth in the 100 Meter Hurdles. Karen Gracia took second in the Shot Put, while Tricia Bradley and Debbie Reardon were scoring points in the Javelin. April Bradshaw, Margaret Flynn, Nicole Lyonnais, and Lisa Starecheski were outstanding placers in the jumping events. Rachel Bates scored third in the Discus. The 4 x 110 Relay Team of Rebello, Rezendes, Clark, and Flynn won first place and remained undefeated in that event. This meet allowed athletes to compete in only one field event, one running event, and one relay.

In the 85-51 win over Fairhaven, Corkum, Flynn, and Lyonnais controlled the Long and Triple Jumps, while Starecheski and Porter won the High Jump. Clark, Gracia, and Bradley swept the Shot; Bradley and Reardon took the Javelin, while Clark took first in the Discus. Casey

Glass Museum

NEW ACQUISITIONS

The New Bedford Glass Museum announces the acquisition of two important lamps for its permanent collection, including one extremely rare kerosene lamp.

The unusual Pillared Lamp was made by The Pairpoint Corporation (New Bedford, Mass.) circa 1915. The "Vienna" shaped shade is enameled with both Venetian and Delft-type scenes, framed in elaborate green cartouches. The silverplate base, in excellent original condition, is comprised of a circular footed base, four elaborately garlanded pillars supporting the spider, and a glass-lined silverplate jardiniere.

Height of the lamp is 14 inches. The overall diameter is 15 inches.

acquired. The Kerosene Lamp dates between 1878 and 1882, and is one of only two objects known with their original Bowie paper label intact.

The enameled decoration of pear blossoms surmounting geometric color panels is typical of the 19th century Aestheticism movement, and was possibly influenced by the decoration of America's first art glass, "Lava" glass, invented in New Bedford in 1879 by Frederick Shirley of the Mt. Washington Glass Company.

Samuel Bowie was an artisan important to the glass industry for his inventions of improved cylinder molds, enamel formulae, and his diversification into porcelain decoration. The Kerosene Lamp is the first evidence that he was marketing lighting devices as well. The Lamp's molded glass was probably the work of the Mt. Washington firm, since there is no evidence that Bowie produced glass at his own factory, on Acushnet Avenue in New Bedford.

The NBGM lamp stands 18 inches high, with paper labels on the inner surface of the cylindrical body.

Both lamps were purchased through The New Bedford Glass Museum's Lamp Fund. They are on display at the Glass Museum during gallery hours: Monday through Saturday, 10-5, and Sunday, 1-4.

The NBGM is located at 50 North

to share their expertise with senior citizens, and with family and friends who care for seniors.

"We hope our HELP Fair will increase awareness of the services available to older Americans in the New Bedford area, and provide a holistic approach toward meeting their health care needs," says Doreen Sylvia, R.N., one of the fair coordinators.

Anyone who is involved or interested in health care for senior citizens is invited to stop by the fair. For more information please call the Planning and Development Office at 997-1515, extension 2687.

Theatre One

CHILDREN'S THEATRE

The Children's Literature Association named "Charlotte's Web" the best American children's book of the past two hundred years, and Joseph Robinette, working with the advice of its author, E.B. White, has created a new play that captures this work in a thrilling and utterly practical theatrical presentation. It is the story and relationships that make the show.

The Children's Theatre of Theatre One Productions, Inc., Middleboro

BEING OVERWEIGHT CAN HURT MORE THAN JUST YOUR LOOKS

will run on Saturday, June 6, 13, 20 and 27 from 9 to 10:30 a.m., will be held at the Coachman's House on the corner of 7th and Madison Streets. Cost is $3.; $2. for members. Reservations are helpful; please call 997-1401. For the first session bring a hand pruner. Subsequent topics will be "Perennials", "Floral Arrangements" and "Roses".

Mr. Chris Tracy, a landscape gardender who has attended Arnold Arboretum classes and been taught by Dexter Davis, will cover the major topics of pruning - the basic tools and techniques, thinning healthy growth, cutting damaged growth, pruning roses, woody perennials, and specialty methods such as bonsai. Mr. Tracy will begin with a slide show to illustrate these points followed by a question and answer period. Participants are welcome to bring samples of the vegetation or the name in order for Mr. Tracy to recommend correct pruning methods. Students will then be able to practice their newly-learned skills by pruning selected growths.

The Rotch-Jones-Duff House & Garden Museum is a private, non-profit organization whose programs are made possible, in part, by grants from the Massachusetts Council on the Arts and Humanities as well as New England Telephone. The Museum participates in the Massachusetts Cultural Alliance "Share the Common Wealth" coupon program. Call 997-1401 for further details on this or other events.

setts State Representative Joseph B. McIntyre of New Bedford, whose subject will be "Funeral Pre-Payment - Pro and Con". Mr. McIntyre will give a history of current legislation governing the funeral industry.

A New Bedford attorney, Mr. McIntyre serves on the Insurance and Health Care Committees of the state House of Representatives and is vice-chairman of the Committee on Bills in Third Reading.

Now observing its 10th anniversary, the area Memorial Society is a consumer educational cooperative, which makes available information to its members on how to plan a simple funeral service, if that is what they wish. It refers members to licensed and responsible funeral directors who are in sympathy with the society's aims. It also provides information on funeral laws including the bequest of bodies or their parts for medical purposes and on "living wills".

The public is invited to the meeting. There will be a question period and refreshments will be served.

Mrs. Ruth Heath of Westport is president.

The Y's Way to a Healthy Back is a 6 week program for people who suffer from low back pain, back pain and injuries limited to two factors, sedentary lifestyle and tension. 50-80% of low back pain is attributed to under exercise and is potentially preventable.

The Y's Way to Weight Management is a 10-week program focused on weight loss through positive and permanent lifestyle changes. Individuals will learn to take charge and become responsible for a lifestyle that will promote healthy weight loss and permanent weight management. Eating behaviors, exercise habits, food preparation, food choices are just a few of the topics to be examined.

You & Me Baby is a 6 week pre/post natal exercise program designed for the expectant and new mother who is concerned about her health and her baby. All exercises are medically approved to increase flexibility, muscle tone, and blood circulation. The exercise also aids in the reduction of stress in the abdomen, low back and pelvic area. The program also offers social support, nutritional awareness, promotes a life-long commitment to wellness.

WORKSHOP-EDUCATORS & YOUTH LEADERS

The Lloyd Center for Environmental Studies in South Dartmouth announces their workshop for educators and youth leaders. "Creating Your Own Field Equipment" will take place on Saturday, June 6th, from 10 a.m. to 4 p.m. at the Center. A component of the Center's 1987 MATES program (Marine and Aquatic Teacher Enrichment Series), "Creating Your Own Field Equipment", will provide educators and youth leaders with the opportunity to create oceanographic tools for use in the classroom, field or summer science program. Instruments for a dynamic educational experience in the marine environment can easily be created using low cost and easily obtainable materials. Water samplers, beach profile tools, transects, quadrats, and hydrometers are the undertakings for Saturday's workshop. At the end of the day participants will take home field activity ideas, curriculum materials and the equipment they create. The fee is $35. for Lloyd Center members and $40. for non-members. Previous participation in a MATES program is not required.

Instructors for "Creating Your Own Field Equipment" will be Amy Dyer, Lloyd Center School Program Senior instructor, and Len Evert, fifth grade teacher at the DeMello School and Summer Program instructor at the Lloyd Center. For more information and registration please contact Amy at the Lloyd Center at 990-0505.

EXPLORE THE EMILIE RUEDKER WILDLIFE REFUGE

On Sunday, June 7th, at 9 a.m., the Lloyd Center for Environmental Studies presents a weekly walk entitled "Birds of the Emilie Ruecker Wildlife Refuge".

Join Maryann Buehler and James Lynch, Research Assistants at the Center, for a bird walk through one of Rhode Island Audubon's unique sanctuaries. Walkers will cover about 2½ miles of hickory forest, saltmarsh and beach areas. A picnic lunch overlooking the Sakonnet River will be included.

The diverse habitats of this Refuge are home to warblers, herons, raptors and shorebirds.

Walkers will meet in the Refuge parking lot at 9 a.m. Call the Lloyd Center at 990-0505 for pre-registration and directions.

VUARNET FRANCE

N A U T I L U X™

If you're a sailor, yachtsman, powerboater, surfer, or someone who spends time on or near the water, the Vuarnet Nautilux blocks harsh bright glare. The double-gradient filter absorbs and reflects direct and reflected blue-green light from water. Its yellow tint improves depth-of-field capability. An anti-reflective filter on the concave side absorbs bounce-back light. Light transmission: 17%.

P X - 2 0 0 0™

If you want quality Vuarnet optics without the depth-of-field feature of Skilynx, Nautilux or Orlux lenses, the PX-2000 is the appropriate sunglass. It's perfect for driving, flying or just sunbathing, where the lack of reflected light makes a double-gradient filter unnecessary. The solid brown color of the lens nearly approximates the color sensitivity of the human eye. The lens is coated to absorb light striking it from behind. Light transmission: 18%.

S K I L Y N X™

If you're a skier or someone who spends time in bright and highly reflective light, the Vuarnet Skilynx offers maximum comfort and protection. The double-gradient filter absorbs and reflects the direct and reflected light from above and below the eye. Its yellow tint improves depth-of-field capability. It also has a special filter to absorb light striking the lens from behind. Light transmission: 12%.

Insist on the "V"
When you see this "V" engraved into a pair of sunglasses, you can expect the ultimate in protection and comfort. Because each pair of Vuarnet® sunglasses is designed for today's active individual with a special purpose or use in mind.
